Dear Harold:

Thank you so much for your letter of July 25. I'm so glad you like the complaint by the attorneys.

I've sent a copy of your letter to Ed de Grazia, who will be the attorney handling the case from now on, and I am sure he will be delighted to keep you informed with copies of all his papers.

I'm sure he will also be very happy to have whatever help you can give, and I am asking him to contact you directly.

Again, thank you so much for everything.

Sincerely,

Fred Jordan
